

Buffet

Buffet setups are ideal for hosts looking for a classic setup for their event. They offer a straightforward approach to large group dining.

Please note these are sample menus of things we have done in the past. We create all menus based on collaborations with our clients.

Send us a [request](#) and we'll put something together for you.

Stations

Stations offer an organic flow to events, guiding guests through a venue at the host's discretion. Whether for appetizers or entrées, stations can be simple meats & cheeses displays or hosted by a chef allowing for guests interaction.

You'll find some popular ideas from past events. Menu creation is a collaboration with our clients. Send us a [request](#) and we'll put something together for you

Plated Entrees

A seated meal, be it luncheon, wedding reception, or casual dinner offers the highest level of service and craftsmanship. No matter if you have 10 guests or 1000 or more, our culinary team prides itself in turning out immaculate plates from the first to the last.

Send us a [request](#) and our team will gladly reach out to discuss a personal menu created specifically for you.

Passed Appetizers

A selection of passed appetizers are a fantastic way to welcome friends before a seated dinner or consider six or more hearty options to circulate during a cocktail party. Desserts can make the rounds as well a happy guest is one that leaves with a sweet taste on their tongue.
